Strong

HOW THEY WORK

Thinks and delivers, and coordinates people and priorities.

STRENGTHS

- Connects sales, delivery and customers
- Turns handovers into a smooth process
- Builds trust quickly with new clients

WATCH-OUTS

- Avoiding confrontation and too much consensus
- Absorbs other people's coordination load

WORK PREFERENCES

- Clear ownership of coordination
- Regular contact with the team
- Room to raise disagreement

CONTRIBUTION

Turn new wins into expansions through smooth sales-to-success handovers.

DEVELOPMENT FOCUS

Practise raising hard calls early instead of absorbing them.

SKILLS

Onboarding design · Account planning · Stakeholder management

Assessment context

Re-assess in 3 to 6 months

Use this signal for development and role-fit conversations, not as a permanent label or automatic decision.

APPLICABLE MANAGEMENT ADJUSTMENTS

- Low social drive — Fewer unnecessary meetings
- Give ownership of coordination — Give ownership of coordination and encourage open disagreement.
